Kerry Welsh
Chief Deputy

As the elected Sheriff of Pike County, Pa., I recognize the primary responsibility of law enforcement is to protect the citizens and preserve individual rights and freedoms.

I have been honored to have been elected and serve three terms by the citizens of my county and have sworn an oath each time to support, obey and defend the Constitution of the United States and the Constitution of the Commonwealth of Pennsylvania.

I have worked as a police officer and peace officer in Pike County since 1981 to uphold that oath. Prior to these duties I served my country honorably as a veteran of the United States Army Military Police Corps.

As sheriff and chief law enforcement officer of Pike County, I believe that law abiding citizens have the right to own, possess, keep and bear arms, in accordance with the Second Amendment of the Constitution of the United States. I continue to stand with my citizens of Pike County to assure that their rights under the Constitution and the Bill of Rights will not be infringed.
