## **Full Time Employment Opportunities**

Advance Testing, an established New York-based construction materials testing and inspection firm, has opportunities available for individuals to perform testing and inspection of construction materials such as soils, aggregates, concrete, reinforcing steel and asphalt. Advance Testing trains and certifies employees within these disciplines through locally and nationally recognized programs.

Once trained and certified, students in Advance Testing's program are considered full-fledged engineering technicians. As engineering technicians, they are assigned to provide services throughout our area of coverage, which includes, but is not restricted to the tri-state area (NY / NJ / CT) and New England. Typical project types that employees are assigned to include highways, bridges, commercial buildings, airports, tunnels, fabrication plants, material production facilities, government and military sites, and schools. Applicants must be able to obtain any security clearances and background confirmation required by clients for sensitive projects and locations. In addition to potential field assignments, Advance Testing operates a state-of-the-art, accredited laboratory facility that employees may be trained to perform testing services in.

Advance Testing employees may be provided housing for the duration of their co-op based on need. All positions may require lifting and/or physical activities, including lifting of up to 75 lbs, walking / working on uneven surfaces, and driving to and from job sites (valid driver's license and working personal vehicle required). The majority of our work is conducted outdoors, in all weather conditions. Work hours vary, but include day, night and weekend shifts.

- Paid Co-op and Full-Time Positions Available
- Company-provided training and certifications
- The experience of a lifetime – exceptional opportunity for career and relationship building

### Employment Opportunities Offered:

Based upon the 2024 salary table for our locality pay area (NYC), An Entry level GS-05 Step 1 Correctional Officer would be guaranteed to start at \$57,340/yr. Then barring satisfactory performance of duties, in their 2<sup>nd</sup> year they would promote to a GS-06 Step 2 at \$62,196/yr., then barring continued satisfactory performance of duties in their 3<sup>rd</sup> year they would promote to a GS-07 Step 3 at \$69,114/yr., then barring continued satisfactory performance of duties, in their 4<sup>th</sup> year they would promote to a GS-08 Step 04 at \$74,412/yr. These are all non-competitive promotions. Also keep in mind each year our salary tables are adjusted for cost of living and locality pay adjustments, so these numbers are highly likely to increase each year. These numbers do not include any overtime worked or Holiday Pay or shift differentials for working evenings or Sundays etc. We offer paid time off. 4 hours of Sick leave and 4 hours of annual leave earned every two weeks in your first three years, and then after 3 years of service your annual leave goes up to 6 hours of leave earned and sick leave stays at 4 hours. After 15 years of service, you earn 8 hours of annual leave and 4 hours of sick leave every two weeks. You can carryover 240 hours of annual leave on the books from year to year and there is no limit to how much sick leave you can accumulate and carry over. There are a number of additional hiring incentives we may be able to request on behalf of applicants that are quite lucrative but not guaranteed so I will not get into publishing those, but applicants can ask us about them and we will be more than happy to explain.

**-WHO WE ARE-**

YAP is a nonprofit agency that has been committed to providing community-based alternatives to out of home care through direct service, advocacy and policy change SINCE 1975.

We serve THOUSANDS OF FAMILIES A YEAR in more than 100 PROGRAMS in rural, urban and suburban communities across the country.

100% of our programming takes place in the HOME COMMUNITIES of the people we serve.

We believe that EVERY INDIVIDUAL POSSESSES STRENGTHS, potential, interests and talents that make them unique and can be built upon and shared.

We believe that everyone needs ACCESS TO POSITIVE PEOPLE, PLACES AND ACTIVITIES within their community to develop their natural potential and live full, productive lives.

We believe that PARTNERING WITH FAMILIES to identify their needs and preferences preserves dignity and improves outcomes.

**-OUR STAFF-**

All staff have an educational background and/or experience in psychology, social work, or a human service-related field. By offering a continuum of interventions, families have the opportunity to maintain consistency and fluency in their natural settings (home, school and community). Staff are credentialed to meet the qualifications to provide services in Pennsylvania.
